Low Profile
for metal accessories that prefer low profile mounting closer to centerline of the bore

MT61172-40LP

MT61172-60LP

MT61172-140LP

Quick Release Mount Details

KeyMod and M-Lok Quick Release

KeyMod and M-Lok quick release mounts are a new patented design that is constantly being refined. They allow you to remove and attach accessories quickly and tool free. No longer do you need to keep on hand tools or use different hardware to mount your accessories. Once your accessory is attached to the appropriate AimShot mount, squeeze to attach, squeeze to detach. Your accessory is firmly and solidly mounted to your rail system. Lightweight aluminum housing coupled with steel hardware for long life and light weight. Different designs allow you to couple your bipod, lights, lasers, or any other rail accessory to your KeyMod or M-Lok rails.

KeyMod QR system- New Improved mounts utilize larger buttons to make it even easier to attach and detach the mount from the rails. The base allows you to adjust the height of the retaining screws to accommodate any thickness rail, even if cerakoted or painted.
M-Lok QR system- New Improved locking system automatically adjusts for fit all metal M-Lok rails (not currently compatible with MOE rails) and locks in place for positive attachment and ability to withstand the abuse of full auto rates of fire.
MUST BE USED ON METAL RAILS BETWEEN 2-3MM THICK!!!

M-Lok   **KeyMod**
Picatinny Quick Release

All of our picatinny rail quick release mounts are made from 6061-T6 alloy giving them solid and durable construction. They offer quick turn screw adjustment to fit most picatinny rails even if they are bit out of specification. Adjusts quickly and easily utilizing a simple and effective system to properly fit any rail.

Classic Mounts

Classic Mounts
-Reliable: Tried and true accepted design
-Durable: Construction of black anodized 6061 T6 aluminum
-Versatile: Fits almost any rail system

MT 61168: Tri-Rail Barrel Mount for 12mm- 24mm barrels. Adds three rail sections for mounting accessories, lights, lasers, etc.

MT 61167: Laser/light Picatinny Rail Mount for 1" and 7/8" accessories. Includes shim to fit 7/8" lasers and other accessories. 3 screw system outer two screws hold mount to rail, middle screw holds light in mount, so you can remove light without removing mount and vice versa.
